

Our Preferred Accommodation Partners

At Irish Experience Tours, we know that where you stay plays a big part in your travel story. That's why we've carefully handpicked a collection of preferred accommodation partners across Ireland – a mix of charming B&Bs, boutique hotels, and premium stays that reflect the warmth, character, and comfort we value.

These are the properties we work with regularly because we trust them to deliver the quality our guests deserve. Whether you're staying in a cosy family-run guesthouse in Dingle or a castle hotel in Donegal, you're guaranteed a high standard of service, comfort, and an authentic Irish welcome.

Guaranteed Quality – Every Time

While we always aim to book the exact accommodations listed, sometimes availability doesn't line up. If that happens, we'll place you in a property of equal or higher standard — no compromise. You'll never get second-best, just another great stay we've personally vetted.

The Only Tour Company Offering Both Classic & Premium Packages

We're proud to be Ireland's only small-group tour company offering both Classic and Premium accommodation packages — and yes, we keep you all travelling together.

- Our **Classic B&B / Hotel Package** is perfect for guests looking for character, value, and that homely Irish feel.
- Our **Premium Hotel Package** includes upscale amenities, more modern comforts, and occasionally a castle stay or two.

Offering both options means you can choose the comfort level that suits you — without compromising on the experience, the route, or the craic.

Seamless Drop-Offs & Group Bonding

Each evening, we ensure there's a maximum of just two drop-offs, and they're always within **5 minutes of each other and centrally located in town.**

Because we believe the magic of group travel doesn't end when the wheels stop turning.

Staying close together means:

- You can easily meet up for dinner, drinks, or music
- No one gets left out or feels far from the group
- You're in walking distance of everything you need

Whether you're raising a glass in Kinsale, swapping stories in Dingle, or heading for a sunset stroll in Galway, you'll feel connected and part of the **Irish Experience Tours family.**
